

# Universal School's Remote Learning Plan 6th-12th Grade

## How Does It Work?

<b>9 am</b>	Assignments will be posted by 9am the day the class is scheduled. Classes will not exceed 40 min including instructional times whether by live meets or recorded videos. Students' meetings and work will be assigned according to the schedule below.
<b>9:00am-2:30pm</b>	Teachers will be accessible via email for immediate response to students' questions between 9:00am-2:30pm
<b>1 Week</b>	Assignments are due within 1 week of the assigned day. Assignments not submitted by due date will be marked Missing (which counts as 0). Students and parents will receive a message from the teacher indicating students are behind on work.
<b>5 Days</b>	Students will have 5 days to submit late assignments for partial credit before it remains a Zero.
<b>July 31<sup>st</sup></b>	Any student that does not maintain a score of 70% (Proficient) by the quarter end will need to take a final by July 31 <sup>st</sup> to complete the year and move on to the next grade.

## How will classes meet?

Class periods will be split on an A/B schedule so that only four periods meet per day. Teachers may use Zoom (student audio only) or Google Meets (video and audio allowed).
